

CMA®

IMA's Certification for  
Accountants and  
Financial Professionals  
in Business

# CMA (US)

Certified Management  
Accountant

# About CMA (US)

The 'Certified Management Accountant' is the most recognized management accounting course in the world. The course is governed, administered and granted by the Institute of Management Accountants (IMA) - headquartered in the US.

A CMA qualification will ensure you are at the centre of an organization, working with the management team on key strategic decisions through your expertise in the accounting, finance and business domains. US CMA is the fastest growing management qualification in the world.

- **Globally Recognized Professional Certification Management Accounting.**
- **Focuses on Advanced Skills in Accounting and Financial Management such as Financial Planning, Analysis, Control, & Decision Support**
- **Enhances Strategic Thinking: CMAs can explain the "why" behind the numbers.**

## Why to Pursue CMA (US)

- ✓ #1 Management Accounting Qualification
- ✓ Duration - Short Term
- ✓ Career Growth - Global & India
- ✓ 65% Higher Salary than Normal Graduates

# Boost Your Management Career With **CMA (US) Certification**

## **Worth Your Time**

8-10 Months to complete both parts, on average

150-170 recommended hours of study per part

## **A league of Our Own**

50% pass rate Globally

5,000 CMAs granted each year on average

100,000 CMAs awarded to date, each & every one earned through testing

## **Have What It Takes?**

Candidates should have cleared their 12th grade (associate degree outside India) to be eligible for the US CMA exams.

Candidates must clear both US CMA exams and be a graduate in any domain to get certification from the IMA body.

# Exam Structure

# Testimonials

The faculty explains the concept really well and the class interaction is nice will recommend FPA who want to join for cma or any other professional accounting courses Only one suggestion if you can provide the mock test without marking the answers and instead provide the answer key at the end of MCQ would be grea

**Deni John**

The institution is great, especially it's teachers who give personalised attention to each and every student and help them understand both easy and difficult concepts.

**Arnav Gawade**

I've started Part 1 with Yash sir and he has been a great teacher And I'm under the best guidance of Pranit sir he's always there for motivation and helps in solving any problems faced by students. He has helped me alot by motivating me and made me believe i can pursue this course.

**Vaibhav Gupta**

It's a great institutions for students to build there career in Accounting and Finance, Admin Ayushi Jain and Professors CA Pranit Jain sir and CA Suyash Tripathi sir are more supportive and helpful throughout. Provide us a comfortable environment during lectures.
